

From All Of Us At Sauereisen

Best Wishes to You this
Holiday Season and May
Your New Year be
Healthy and Happy!

Now more than ever, we hope to help lighten the load and brighten the spirits of those in need.

We are continuing our new tradition of donating the money that we would otherwise spend on holiday cards and postage, to make a charitable donation to one of our favorite charities:

Brother's Brother Foundation

Brother's Brother Foundation (BBF), a Pittsburgh-based international charity, has provided over \$4 billion of medical supplies, pharmaceuticals, textbooks, food, seeds, and other humanitarian supplies to people in 149 countries. Since 1958, they have given better health, education, nutrition, material security and hope to tens of millions around the world.
